

XC officer meeting

- Role call:
 - Matt, Diana, Aisha, Brett, and Zach present
 - Special celebrity appearance from Yave
- Upcoming meets
 - Shoreline (10/22)
 - We have a van that seats 12 reserved, we will need two cars in addition to transport anyone
 - Tamalpa (10/29)
 - Transportation: we have one van reserved currently, another has been requested
 - Should we be encouraging people more to come to the meets?
 - We need people to commit for Tamalpa a week from today (10/20)
 - Let them know there is free **beer**, bagels, and a mug at the finish
 - Zach will send out email to encourage more runners to enter this weekend
- Pasta feed(s)?
 - Cowell apartment community room is now out of the question for a pasta feed—Brett confirms. Cowell just got strict about only letting Cowell affiliated groups use their facilities because of recent “mix-up”
 - We need a location that can comfortably fit about 20 people and a kitchen on Friday Oct. 28th
 - Aisha checking on her apartment, matt will be checking up on the kresge red room
- Treasury report
 - Zach needs to pay his dues, we need to figure out if Lauren is going to be a competing slug (she has a jersey)
- 2-year jerseys/blue t-shirts
 - How to determine whether people deserve
 - General consensus: 2 year jackets only go to people who consistently compete for two consecutive seasons
 - Specific requirements:
 - People who have competed this and last year (consideration for two year jacket): Eddy Vien, Christopher Butler, Marc Bressler, Maria, Brett, Andy Bockus, Clarence Tran, Akshar
 - Figure out sizes for them
