

XC club officers meeting

- Meeting brought to order 12:11 pm
 - Diana, Zach, Aisha, Brett present
- Pasta feed
 - Had almost 20 people there, good attendance
 - went
- Filling empty officer positions/transition to next year
 - Either one of the current officers assuming the treasurer position, or asking and nominating someone from the team
 - Treasurer will be important even after the season, esp. for slug run things
 - We will send out an email to the club asking for interest
- Sports club officer orientation (report from zach)
 - Basically we need to be in communication with Skippy about purchasing anything or going anywhere as a club
 - Planning things in advance so we keep Skippy updated instead of just coming to him later if and when there is an issue
 - Make sure to think of the club money as money allotted to us through the university
- T-shirt orders:
 - Jeff put in a PO
 - They should be ready sometime next week
 - The money needs to be deposited to the club by giving it to skippy (t-shirt place will send skippy an invoice)
- Next year's officers:
 - In the spring, how will we appoint/nominate/vote for new officers?
 - After slug run we will have some sort of event, social or running where we can get together and vote on next year's officers
 - By having elections in the spring we don't include first-years, so we can open up a position in the falls so we can represent the first year runners on the board
 - Send out club-wide email with simple form with a couple questions about applying to be an officer for next year. This email will go out before the slug run, and the application will be due around slug run time.
 - After applications are in we will get together and vote
- End of season:
 - Cardiac pacer—we just need to get everyone's name who is running, everything else is taken care of
 - Turkey trot
 - Still looking for discounted rate—Zach having trouble contacting SCTC
 - Figure out transportation down to the turkey trot—who on the club can drive, do we need to tell people to bus
 - Diana—email skippy to see if we need transportation paperwork
 - Banquet/potluck
 - Food, awards, two year jerseys, thank yous, slideshow...
 - Order pizza with club money, potluck desserts
 - Upper crust-square pizza
 - Brett—see if we can get a room for wed. Nov 30th, Stevenson fireside lounge preferable
- Meeting adjourned 12:46pm
