Meeting called to order at 12:13

Officers Present: Zach, Andy, Brett, Matt

Officers Absent: Aisha

Check ins:

Everyone was doing well

Meet Schedule:

6-7 races for the season, including 2 trail races, Turkey Trot, Cardiac Pacer, and 2-3 PA races

Try to have trail race in first 3 weeks of October, with distance options (like 5k/10k)

Races we for sure want to compete in: Tamalpa, Shoreline, Cardiac, Turkey Trot

Finalize races for beginning of season.

Uniforms:

With money from slug run and wharf to wharf, we have \$1900 budget

Will compare proposed design and old design on Asics unis, order over the summer

Club members will buy their own uni

Dues:

Staggered dues for club member that do and do not intend to compete.

Competitive club member dues buy that member their own uniform, while non-competitive dues are just to ensure that members are invested in the club.

Specific costs will depend on how expensive uniforms are, but will probably be along the lines of \$30 competitive/\$10 non-competitive

Dues will be collected 2 weeks after fall festival to give runners two weeks to try out the club and see if its for them.

Fall Club Planning:

Goal to have 1 social event in first 2 weeks.

Proposed event: Have first Sunday run end at natural bridges for club beach barbeque (experienced runners go through wilder, newbies through moore creek).

Food budget to cover charcoal and barbecueable items (burgers, buns, etc.)

Summer Business:

Matt will put both training packets up on the Slug XC website.

Meeting adjourned at 12:45
